CAMPING

Camping is one of the most popular choices of accommodation of our participants.

The campsite in Klagenfurt is located close to the Wörthersee and so it is possible to access the city beach from very quickly. That's why it is perfect for the summer and offers the maximum amount of fun!

There is an area at the campsite for our guests where tents can be placed. It is also no problem to come with a campervan. Just let us know!

UWG CAMP

Once again we arrange our two UWG Camps exclusively for our participants this year.

One camp is in the EURO stadium directly at the center of the games.

The other one is at the exhibition site, so only a few minutes away from the city center by walking.

Every team has its own area with camp beds, you only have to bring your pillow and your sleeping bag. 100% UWG flair guaranteed!

Attention: UWG Camps are for participants and trainers/supporters only, not for parents.

YOUTH HOSTEL

Youth Hostels are another very popular category that runs out of beds very fast.

Here you will sleep in dorms and most of the accommodations are located at the surrounding of Klagenfurt, that's why it would be a benefit to have a car. If you don't have one, we will also offer special transfers between the accommodation and the Players Town. Anyway we recommend to book Youth Hostels as early as possible.

Attention: The small rooms are rare at this category and will be reserved for trainers and supporters. If parents want to stay with the team, they have to sleep in dorms.

BED & BREAKFAST

Most of our bed and breakfasts are located at the surrounding of Klagenfurt, that's why it is advised to have a car for this category as well.

The size of the accommodation varies. There are ones that can have several groups, others only a small team. But all of them have the typical Carinthian style and are family businesses.

HOTEL CLASSIC

We also offer the category Hotel Classic in Klagenfurt and the neighborhood. You get a good service for a good price and the owners will do everything to let you feel comfortable.

HOTEL PLUS

For all of you who like it a little bit more luxurious, we provide the best hotels of the Wörthersee area. The break down of the rooms in this category will be discussed individually.
